3 Tips for Helping with Homework

www.homeworkqa.com

BE FLEXIBLE

Be empathetic of the home situation of students as some may not have available adult supervision or reliable internet.

If students need special support, be open to their unique needs.

PREPARE IN ADVANCE

If you expect to teach remotely in the near future, look at the curriculum in advance and prepare lessons for the weeks ahead.

Opt for content that's easily accessible online, in a variety of mediums.

SET UP A WORK ZONE

Set up a comfortable, well-lit area and designate it for work.

Avoid working from the couch or bed - when it is time to relax your brain might find it hard to shut off work thoughts.
